To all Irobs around the globe,

You may heard of or participated about/in the teleconference conducted on December 28th, 2013.

It was focused about how to organize ourselves to help our poor people at back home.

According to the consensus or agreement from the teleconference , seven members of ad hoc committee was assigned to collect ideas, identify community problems, priorities, and expectations from many irobs at home and abroad.

The ad hoc committee worked for the last two weeks and come up with important & fundamental proposals towards establishment of global Irob community development association initiatives..

We would like to thank and greet all irobs around the globe for all their good intention and wishes for their community .As we posted last week the next teleconference will be held on Saturday February 1st at 11am Washington DC time. We expect each individual irobs to participate and share their supportive ideas. We highly recommend and inform each of us to be good team players and take our initiatives as a big responsibility to establish our community. It is clear than the Sun at noon all Irobs understand that team share the burden and divide the grief. The ad hoc committee wants to call a teleconference and discuss its proposals with all irobs on February 1st 2014 @1100 am Washington Dc time
